## INTRODUCTION

Adam Braun is a New York Times bestselling author, globally recognized speaker and 3x entrepreneur. He is the Co-Founder & CEO of Climate Club, the leading sustainability platform that empowers companies and their people to drive breakthrough performance and results. He is also the Founder and Chairman of Pencils of Promise, the award-winning organization he led as long-time CEO from \$25 in a bank account to now build nearly 600 schools around the world. In between these two efforts, he founded MissionU, the company that pioneered many of today's most popular professional upskilling and future of work trends, which was named one of FastCompany's 50 Most Innovative Companies in the world.

His book *The Promise of a Pencil: How an Ordinary Person Can Create Extraordinary Change* debuted at #2 on the New York Times Bestseller list and went on to become a #1 national bestseller.

He has been featured as a speaker at The White House, the United Nations and dozens of industry associations, Fortune 500 companies and universities. He has also been named to Business Insider's 40 Under 40, Wired Magazine's 50 People Who Are Changing the World, and was selected as one of the World Economic Forum's original ten Global Shapers.

He avidly engages with his social media following of over 700,000 people and has received the nation's most prestigious award for public service, the Jefferson Award.

Please welcome...Adam Braun.
